THANK YOU
Thank you to everyone for such a smooth start to the new year. Our Foundation students have settled in well and have now experienced a whole week of school! Today, being our Specialist day, students had the opportunity to experience Visual Arts, MARC VAN, Information and Communication Technology (ICT) and Garden sciences. The students were learning how to move around the school and experiencing learning throughout the school. All other home-groups have been very supportive to our new students.

This week’s newsletter is so big, with lots of information and attachments, we have provided you all with a small gift! Please take time to sit, relax, sip tea and read! (Thanks to the kind donation from the Brown family.) Here goes....

**Learning Activities Under Guidance of Home**

**NIGHTLY READING**

Students will be bringing home books for nightly reading as part of their LAUGH (Learning Activities Under the Guidance of Home) program. Please support your child with their reading by sharing these books at home. Your child has already been introduced to the texts being sent home and are encouraged to discuss the pictures and think about what is happening in the book. Praise your child’s attempts at reading the words and sharing their thinking. Sounding out the words and looking at the pictures for support, are both good strategies for effective readers.

Once read, the title of the book needs to be recorded in the student diary provided and signed (on the day read). Books are to be returned to school the following day in the school satchel.

HOMEGROUP HAPPENINGS!

Ruby Red’s Ready to Rumble!

This week Ruby Red students have been practising writing their name, learning about how we read books and words, working on the alphabet, their numbers to 5, competing in sports practice and using ICT to name a few! They have given everything a red hot go. They should all be very proud.

Holiday Sizzling Starts

Big Bash
Bang! Peiterson hits a SIX. The roar of the MCG crowd is deafening. Harrison and I are debating who will win. On the final ball of the evening a Stars player hit it and ran. They hustled and made a dive for the crease. Mathew Wade hit the wickets and the umpire did the score review thing. After about 5 minutes of intense waiting the sight screens say: NOT OUT! ALL the Stars fans’ faces light up. By Angus Mulconry

Kitten
I step into the car. The next minute I realise I am seeing the cutest thing I have even seen. Meow! It’s so cute. As I touch Lolly it’s so soft and fluffy. By Rose-Ann Scott

Merry Christmas
Thump! Thump! Early in the morning I hear moisy annoying brothers running around the house yelling “Santa came.” I finally drag myself out of bed at 9 am to screaming little brothers in my face. By Shelby McGrath

School - Home Reading Program

The following is a list of handy ideas/suggestions to support the

Nilma Primary School Home Reading
CONVEYANCE FORMS
Private Conveyance Forms are attached to the newsletter. These forms must be returned by the end of February for those families who live further than 4.8km from their nearest school.

SUNSMART SCHOOL
Reminder to all students to bring to school their School Hats, a Drink Bottle (can be refilled during the day), Healthy Lunch & Snack and Sunglasses (optional).
PS. Don’t forget to put on sunscreen in the morning too as we no longer supply sunscreen to students at school due to allergies.

STUDENT PERMISSION FORMS AND MEDICATION FORMS
The 2015 Student Permission Booklets are attached to todays newsletter. These booklets must be correctly filled out and returned to school by Friday 13th February.

This booklet contains the annual permission notices for many aspects of the school. It also contains some medical management plans if required.

Secondly if your child has ongoing medication that staff is required to administer—parents please update our Medication Request form. These are also attached to the newsletter. Specific management plans for students health and wellbeing are also attached for those students that require them to be updated annually.

If your family details have changed over the holiday period could you please provide the school—in writing any information that may need changing in our records eg. telephone numbers, contact details, addresses, emergency contacts etc.

SCHOOL BANKING
School Banking will commence on Friday 20th February and will run weekly throughout each term. Days are advertised on the school calendar. The Commonwealth Bank have introduced lots more prizes to collect, the more deposits you make the more tokens you can collect in order to redeem for prizes! A parent information pack is attached to the newsletter but if you would like any further information please speak to Belinda Smythe, school banking coordinator. Students are to hand in their bank books on the school banking days in the morning, late books will not be processed until the following week.

SUBJECT CONTRIBUTIONS
In developing the 2015 Subject Contributions, all aspects of the Schools Resource Package from the Department of Education and Early Childhood Development and the needs of the school in providing the necessary extras to provide a quality educational program, has been considered.

The amount for Subject Contributions for 2015 will be $130.00 per child. The excursion levy for 2015 will be $50 per child.

The amount for Subject Contributions is used to purchase all books and stationery used by each child in their classrooms for the year. It is also used to cover costs of purchasing materials for Art, English, Music, Mathematics, Technology, Science, and Health and PE, MARC Van and Sports Levies. A letter is attached to the newsletter outlining the cost breakdown for subject contributions.

Nilma Primary School would appreciate payment for all Subject Contributions and excursion levies by the end of first term 2015. The amount of $180.00 (for subject contributions and excursion levy) can be paid to the office in cash, cheque, or by bank deposit.

A payment plan can be arranged for those who wish to pay in instalments. Please speak to the office for more information.

This year families with students in years 3, 4, 5 and 6 will also have the additional cost of school camp. Anticipated costs of these camps are:
- Year 6/5 Phillip Island Camp, approximately $250 per student and Year 4/3 Forest Edge Camp approximately $150 per student. These prices may change once final numbers are confirmed with the camps and other schools in the Mt Worth cluster.

Other costs involved in the school year will include school photos, some excursions and fundraising ventures.

SPORTING SCHOOLS
Last year saw the finalisation of the Active After School Communities program that was offered at Nilma and other schools in the area. This year we will see the introduction the Sporting Schools program which will roll out in schools during term 3 this year. At Nilma we have already registered interest in the program and we are hoping to hear from the Sporting Schools coordinators soon for more information. Once we receive this information we will forward it on to the school community.
Thankyou to the Salt and Mammolito families, Mrs Hodge and Miss Sutherland for watering our garden over the holidays.

The Stephanie Alexander Kitchen Garden Program is underpinned by the philosophical belief that if a child is regularly engaged in activities in the garden and in the kitchen and is invited to the table and encouraged to taste and to learn about healthy, delicious food, that child will grow to embrace fresh, seasonal flavours, and will understand so much about the natural world and how to relate to others. That child will look forward to a healthy future.

At Nilma PS Year 3-6 are participating in the Stephanie Alexander Program where they are producing an organic garden and they grow and harvest the food, they prepare the food they sit together to taste and share what they have made. We need three more volunteers to help in each of the Blue and Yellow Groups on Thursday afternoon. Next week we will be cooking.

**BOOKCLUB ORDERS**
Attached to the newsletter are Bookclub orders. Please return all money with orders to the office by Thursday 19th February. If you didn’t receive a Bookclub Order please contact the office. Late orders cannot be accepted.

**THANKYOU**
Thankyou to Dorothy Sturgess for collecting sandpit toys and balls for our sandpit from the Red Cross Op Shop.

Thankyou to Teagan George’s Nanna for donating a Breville Mix master for our kitchen program.

Thankyou to Kerry Brown for donating the packets of tea with your newsletter.

**BUSINESS COURSES**
Attached to the newsletter is information regarding Business Courses. Please fill out the form and return to the school office by Friday 20th February if you are interested.

**Pack safe lunches – keeping kids healthy**
Use insulated lunch boxes or cooler bags
Pack a frozen drink bottle (popper) or ‘built-in’ water bottle or freezer brick inside the lunch box or bag, next to the food that should be kept cold
Freeze the water bottle half filled, then top up with cold water before school so there’s liquid to drink
If making lunches ahead of time such as the night before, keep them in the fridge until leaving for school
Ask children to keep packed lunches in a cool, dark place such as a locker and out of direct sunlight and away from heat
Pack lunches that don’t need to be kept cold, such as sandwiches with spreads like Vegemite™, jam, UHT dairy products, whole uncut fruits and vegetables. For older children who can open cans safely try tuna and crackers.
