WARRAGUL SHOW SUCCESS!

This week's Warragul Gazette highlighted the success Nilma Primary School had at the Show. With our school displays, our garden produce and our hay bale 'Ute' were all components of our Warragul Show entries. I was so proud of the work that the whole school achieved. The creative displays and the kitchen garden produce were evident of the learning programs at Nilma. Nilma PS is known for our shared and whole school approach to teaching and learning, and I am so excited to share this within the wider community. Congratulations to all students, staff and parents of Nilma.

Red Rattler hay bales win for Nilma school

Nilma Primary School students Thomas Buckler, Blake Hammer, Taleah Hammond, Olivia Addison and Alice-Ann Simon celebrate their final creation 'Red Rattler' ute ahead of taking out first prize at Warragul Show.

Creative designs were on display for the first hay bale competition held at the Warragul Show. Warragul Show secretary Tonnie Schipper said the idea to create a junior competition arose after a volunteer member used hay bale designs as a means to advertise last year's show. "As an extension of that we thought it would be a good idea to get the schools involved," she said. "The students totally enjoyed it. One school said to us that they had a fun time, students had different roles from design to organising materials." Seven schools took part in the competition, with each receiving a prize thanks to strong support from local business. With the competition decided by a public vote and Facebook poll, it was Nilma Primary School who came out on top with their 'Red Rattler' hay bale ute.

Students assisted with the planning and assembly of all recycled parts, with the end result a celebration of a collective creation. Other schools to create impressive designs were Labertouche Primary School, Warragul and District Specialist School, Neerim District Rural Primary School, Ellinbank Primary School, Warragul Primary School and Bona Vista Primary School. Ms Schipper said it was hoped the competition could run again next year following the success of the event. Meanwhile, students also displayed their creative talents in the exhibition building. Nilma Primary School students had been busy creating works in line the theme, outer space. The school's kitchen garden also provided students with a variety of fruit and vegetables and a good harvest for the show.

WEST GIPPSLAND RURAL SCHOOL SPORTS ASSOCIATION DISTRICT ATHLETICS

A team of 21 students, accompanied by Mrs Buckler, Ms Sutherland, Vicki and Barb, will represent Nilma PS at the WGRSSA District Sports. These students have been selected from their performances at the Small Schools Athletics. Students will compete in Triple Jump, Long Jump, Hurdles, Discus, Shot Put, Relay, Sprints and Distance runs. The event will be held at the Geoff Watt Track in Warragul, starting at 9.45am and concluding at 2.15pm. Students will be transported to and from the venue by staff and 2 parents - TBA, they are to be in full school uniform and have lunch, drinks and snacks with them. Permission forms are attached to the newsletter for those students attending. Parents are most welcome to attend on the day also.

SCHOOL COUNCIL

Congratulations to Stuart Turner on your appointment of 2018 School Council President at Nilma Primary School. Supporting Stuart is Briohny Young as Vice President and Sophie Majcherzak as Secretary. We also officially welcome Phil Mammolito to council, along with Natalie Axford, Katie Farmer and Annette Sutherland, Emily Matarczyk and Sara Cogo as your 2018 School Council representatives. We would like to take this opportunity to thank Nicki Kimm and Rebecca McCabe for their support to

Nilma as a councillors, Rebecca for the past 2 years and Nicki for the past 8, with 5 years as School Council President. Thank you Nicki and Rebecca.

SMALL SCHOOLS ATHLETICS DAY

The sports day was a success for Nilma. All students were so well behaved and had a go at all events. The sportsmanship behaviour shown was excellent. Nilma PS was successful with the Afternoon Team activities. We'll

done to all students. The afternoon activities do rely on team work and collaboration and cooperation to complete the activities. It was evident that Nilma students worked well as a team in all events. The day was very active and busy, thank you to all staff who worked tirelessly throughout the day to enable all students to enjoy the day. Thank you to all the parents who came along to support the students. Special thank you to parents: Katrina Foster, Katie Scanlon, Sara Cogo and Briohny Young for coordinating an event throughout the day. Without parent support it would be very difficult to run such a successful event. Thank you.

R.E.A.L STUDENTS @ NILMA

Learner of the Week

RED HOMEGROUP

Zach

For your determination and dedication during all of your learning sessions at school. You listen carefully, always put in your best effort and use great manners. You are a great learner in the Ruby Red Class Zach, Well done!

Tyson

For your dedication to your 'report' writing piece for the VCOOP Cold Write last week. You researched your chosen topic of spiders at school and at home. You then worked very hard to remember the information you had learnt, to write into your report. Well done on your first effort at a report Tyson!

GREEN HOMEGROUP

Ty

For the challenges you have taken with your maths (place value). You have shown that you can persist with challenging tasks and extend your understandings. Well done Ty.

Harrison

For the effort you have put in when writing. You have set high expectations for yourself and continued to be persistent. Well done Harry.

BLUE HOMEGROUP

Claire

For putting a huge effort into your learning this week. You have been 'on task' and determined to achieve. Keep it up!

Elizabeth

For making a great effort in all areas of your learning and always being willing to "have a go" and do your best.

YELLOW HOMEGROUP

Zaic

For your high level of persistence and motivation in mathematics and for his contributions to literate discussions.

Alice-Ann

For your positive contributions to discussions and sharing of your mathematical understandings.

Ruby Red

Last Friday the 9th of March was our whole school sports day at the Geoff Watt Track in Warragul. Students from our cluster schools, Ellinbank, Lardner and District, Bona Vista and Ripplebrook joined Nilma students to compete in individual *and* team events over the course of the day. The Ruby Red students were really well behaved and worked so hard when competing in their events. We were very

proud that they joined in, had a go and had fun. It was lovely to see the students making social connections with students from the other schools in our community. Thank you to the parents for their support on the day, we really appreciated it!

Foundation students commented on some of their favourite events from the day.

I liked the vortex and target throw, we had to use underarm throws with the bean bags. I got one blue, one green and two red ribbons. Jaxon

I liked the target throw, we threw bean bags underarm. I got one red ribbon and two greens. Jenni

I liked the vortex. We had to throw them in the right spot, I got lots of ribbons. Zach

I liked the vortex, we had to throw them as far as we could. I got four first ribbons. Kane

Emerald Green

This week in the Green Home Group we read a new book *Florence Frizzball* and we focussed on extending our **comprehension** – gaining a deeper understanding of the text. We did a read aloud where students listened to the story, engaged in whole group and turn-and-talk discussions and asked and responded to questions. Students made **predictions** around what the text might be about, what might happen next and how

characters might be feeling.

Students also made

connections to the text and they drew conclusions about the text (*inferred meaning*).

SPORTS DAY RECOUNT By Claire-Rose Simon

OMG! No!!!! I'm totally going to be late for school sports day! It is already seriously 8:15 am! I mean already?! Well there is no point staying in bed now because... I have to awake Mum!! Here it goes... MUM! I yelled. Wake up already! Ok I will get up. FINALLY! Did you even know that now it took like five minutes, to wake you up! That now it is 8:20 am?! HUH? Get ready! Screamed Mum. OK I get it you were the one who did not even know the time in the first place! A few minutes later. WHERE IS MY TOP?! Continued Alice. Look behind your bed. Said Mum continuously. Found it! Alice yelled. Yep knew it. Well I'm already. Well then get moving and jump into the car! Wait I need my hair done. Here we go again. Owwww!! That hurts! You're pulling my hair ouch! Omg. I said softly. We are finally here! When we got out of the car I ran and ran until I could not stop. I shoved my bag into the AMAZING Nilma tent and I was so overwhelmed. I saw Beth and Taleah waiting down at the oval for me. Soon enough it was time to compete. First off our group were doing shot putt. I thought I was so good at it... I was wrong. I got absolutely exactly got NO ribbons! But my most favourite event of all was...HURDLES! That was up next. The teacher said some safety rules. First of all she said... if you are jumping over hurdles and you do not feel safe you run to the side. OK? Yes miss we all yelled. I was first up. Are you ready? Set GO! Woosh woosh woosh I was running like the wind. Boom first place! Oh yeah knew it! Mrs Sutherland made a quick little announcement. She picked up the megaphone and started to say... "OK everyone! We are going to have a little ten minute break there are some icy poles down at the canteen and sausages. If you would like a drink you are more than welcome to get one! I asked mum if I could get an icy pole they were only 50c. Mum said why not. So we got two because Alice said she wanted one too. Although it was a long way to walk. When I had gotten my icy pole it was time for the next event but I was not in it. So I kept eating. After we did our 70 meter run it was lunch time and mum was at the canteen. I saw her holding me one magnificent sausage right in front of my eyes! It looked delicious and ready to eat. So I took it from her hands and I started to nibble because it was a little hot. Then I went back to mum and she had already gotten a coke zero. YUM! I was playing in a sand pit when a little boy caught up with me. It was quite embarrassing because he did not know how to talk and he said PLAY! I guess that meant that he wanted to play a game and he started to pick up a stick. He put it in the sand and when he lifted it out he said LAAA! I played along. LAA! Laa! Next I had to go to shuttle run so I said BYE! But when I walked away he obviously stared at me. I wonder why? Omg omg! I'm so nervous for shuttle run! I was the last one ready to go so I had to wear a special vest. It was colored neon and it looked really cool so I took it from my teachers hands and carefully put it on. The teacher was about to say ready set go when I was just daydreaming and our group lost! Nooo! Why is my life so hard all the time when I'm only trying to win for my group I said to myself. I totally let them down! Now they are going to be so angry with me! In fact a lot!

Well anyway I got all first ribbons and it was time to announce the school that won. We were all asked to take a lovely seat on the rough grass. EWWW! During the announcement someone let a little gas out! Can you believe how gross that would even be but you know the best bit... we came first and won the sports day shield it was so marvelous and shiny I loved it! We all lived happily ever after! That is the end of sports day!

She was depressed, with her shoulders slumped over and her hands in her lap. All alone staring at the ground. Alicia sat alone, hiding from prying eyes, trying to make the quietest get away from anyone who came near.

Olivia

Ellis was alone. There was no one else in sight. Wanting to be left alone. Tears dripped down her face onto her knees as her head was down.

Savannah

Beverly, my grandma is the sweetest person I've ever known. She does some great things like making her world famous jam and putting it into the annual Jam Contest. Well at least I think that's pretty cool.

MARC NEWS

Hello everyone,

I hope you are all enjoying the books that are being borrowed during our MARC sessions. Most students are now remembering to return or re-borrow their books on a weekly basis, which is wonderful! In the junior grades, we are continuing to look at picture story books that have animal characters in them, such as Sometimes I Curl up in a Ball by Vicki Churchill and Click Clack Moo: Cows That Type by Doreen Cronin. In the senior grades, we are looking at the genre of horror through such books as Eek! Stories to Make You Shriek! Creep Show by Jennifer Dussling, and Half-Minute Horrors: Very Small Stories. Very Big Scares... featuring Lemony Snicket, James Patterson and many more well-known authors.

If you would like to browse through the variety of books available to borrow, the MARC library can be accessed online at: <http://bookmark.central.sa.edu.au/taragomarc.htm>

Please email me if you have any requests.

Happy reading,

Helen Collins

BIKES AT SCHOOL

Bikes are to be walked into the school grounds and put in the bike shed area behind the toilet block (gardening shed area).

Duty staff will open the gate for bikes in the morning and after school.

CHAPLAIN'S CHAT

Character is an inner standard that cares about others more than yourself. When you are a little child your world is centred on yourself. As you grow up you build character - by learning from experience and making changes - you learn to know right from wrong and choose to do 'right'.

Good character is caught from those you grow up with and is taught through life's lesson.

It may be necessary to take your child aside and say to them "I overheard you talking to your brother, What you said was unkind. You were being a bully. That is not acceptable in our home. You need to apologize to your brother immediately."

Things that measure good character;

- Learning to apologise meaningfully
- Respectful of others - parent, family and those outside the family, teacher, class and kids in school yard, of others religions and one's family faith
- Shows in telephone manners
- Telling the truth
- Self motivated to do homework
- Being on time
- Talks kindly to and about the opposite gender
- Sharing
- Including others

No one is perfect and we are all learning young or old, sometimes we slip up, good character is what you do when you get it wrong.

Have a great week,

Mrs P.

KIDS IN THE KITCHEN

Get the kids to help cook at home as it will help teach them where food comes from, how to measure, count, read, time and follow directions. It also allows for the introduction of new flavours as kids are more likely to eat food that they have helped prepare. Cooking is an important skill to teach children in this age of increasing take away and convenience eating. Remember to be patient. The mess and extra time needed will be worth it!

One idea is to begin the cooking experience with the food shopping. By encouraging them to help you, they will become familiar with a wide range of foods which will promote variety in their dietary intake. Teach them about choosing fresh fruits, vegetables and seasonal foods.
