EDUCATION STATE SCHOOL LEADERSHIP CONFERENCE 2019

On Tuesday and Wednesday this week I attended the 2019 Education State School Leadership Conference in Melbourne. The State Education System Reforms are really taking shape and

focusing on *Leading Learning for Excellence*. It was pretty exciting to see the collaboration of so many educators.

I participated in a number of different sessions around literacy, skills students will need in future and building positive relationships in the community. I had the opportunity to further my understanding about new research in Education and explore some new learnings myself.

I developed a better understanding of ways we prepare our students for a rapidly changing world – taking a look at the ‘enterprise skills’- skills such as communication, team work, confidence and agency, enthusiasm for learning critical thinking, problem solving, creative and innovative, digital literacy, global citizen just to name a few. I’m pleased to say I felt I could draw parallels with some of what we do at Nilma to enhance these skills from foundation onwards.

I was also able to build an understanding of leading reading across schools and looking at ways that we can further develop our own educational programs to be more inclusive and collaborative with secondary schools. This will support our senior students in their transitions to secondary school and continue to foster their engagement and learning - being ‘lifelong learners’ - which is one of our school values.

I am looking forward to working with Warragul Regional College on a mini project to develop some more ‘literacy’ based transition activities.

WALK TO SCHOOL CAMPAIGN

Nilma will star in the ‘Walk to School’ campaign video which is being filmed on Tuesday 11th June 2019. CSEF APPLICATIONS

The last day that CSEF applications can be processed for 2019 is **Friday 28th June**. If applications and Health Care Cards are not presented by this day then applications cannot be processed until 2020. Please speak to Belinda in the Office for any further queries.

HOT LUNCHES

Please note that orders for Hot Lunches must contain the correct money (or total amount in a sibling's envelope) as we cannot guarantee that change will be available at the Office. Orders must be in by Wednesday mornings. Envelopes are available from the Office.

SPARE CLOTHES

With the cold wet weather upon us we encourage families to send along a change of clothes (especially pants and socks) for students to have available if they need to get changed due to accidentally getting wet or muddy! Please also have available a plastic bag or 2 in school bags for wet/dirty clothes. Students are also able to bring slippers to school to leave in the classrooms to wear indoors.

OUT OF SCHOOL HOURS CARE - AFTER SCHOOL CARE PROGRAM

Our OSHC program has now been running for 3 weeks. Sarah Lewis is the program Supervisor, running sessions from 3.15pm to 6pm. During the sessions children have Afternoon tea, which varies weekly and includes a wide variety of foods. Children then enjoy outdoor play then come inside to engage in a number of activities from reading, lego, board games, craft and activities on ICT devices.

To enable the viability and delivery of the OSHC program bookings must be made as places are limited. Bookings can be made by contacting the Office on 03 56232963 or text or call the school mobile 0423 562 379 by 3pm.

If a child is absent due to illness or other reasons, and parents notify OSHC program of non-attendance by 6.00pm the evening prior to or 12 midday of the day a child is booked in to After School Care, but is not attending, no fee is charged and the 'allowable absences' (see below) are not affected.

If a child is absent due to illness or other reasons and the program is not notified by the due times, then the normal fee will be charged and the parent is able to claim Child Care Benefits. CCB is paid for up to 30 'allowable absences' for each child per financial year.

We would appreciate the donation of any items that we can use during OSHC sessions - board games, card games, craft activities, lego sets etc. Items can be left at the Office and they will be passed onto Sarah. Please make sure items are clean, complete, age appropriate and damage free.

WOOLWORTHS EARN AND LEARN

From May 1st until June 25th 2019, you can collect stickers at Woolworths that go towards Earn and Learn points. For every \$10 you spend at Woolworths you will receive a sticker. Once it is completed, students can simply bring it back here to school or you can drop them into your local Woolworths collection box.

The more points we earn, the more we can redeem for educational resources including mathematics and English resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at School.

We are looking to build on our Developmental Learning sessions and are asking families if they have any play based toys that are no longer needed we will appreciate donations. An example of the items we are looking for include; Lego, fire or ambulance station, shops, kitchen, dress ups, puppets etc. Thank you!
