The Dragon at school

By Meg Devlin

On my way to school I found a Dragon egg on the foot path. I said to myself “I must be dreaming”. So I took it to school. I had it for Show and Tell. Then my class heard it crack. It was the Dragon egg. The Dragon ran out the classroom door and went to the playground. It blew out flames on the flying fox. Then we all went on the Monkey Bars to celebrate because Mitch killed the Dragon.

Message in a bottle.

By Jessica

My name is Jessica and I went from riches to rags. I stole my uncles ski boat and half way through my trip I decided I couldn’t and didn’t know how to stop. My way of stopping was crashing in the sand. I wasn’t hurt but my boat was, it was trashed. I am using it for a house, well the remains of it. My dad taught me how to fish so I’ve got no problems with food. My one problem is getting out of here. I’m scared there are voices everywhere but nobody is here. I saw an old sailors outfit that was weird.

Please get help.

My name is Jessica and I went from riches to rags.

My description: Female, Brown hair and eyes

Clothing: Red t’shirt and roxy pants

This island has a volcano and on the map it seems to be near Tahiti.

Please Help, Yours Sincerely—Jessica
